The **Texas Millionaires** is a men's *a cappella* performing chorus based on the 4-part, close harmony barbershop style of singing, consisting of 60+ members who meet each Tuesday night to enjoy singing barbershop music. The **Texas Millionaires** is a chapter of the **Barbershop Harmony Society**, an international organization with over 35,000 members whose beginnings go back to 1938 in Tulsa Oklahoma.

Our rehearsals start at 7:00 p.m. every Tuesday evening. Most of our members have no professional music training and range from day/night laborers to professional doctors and lawyers. The **Texas Millionaires** is a group of average men who come together from all walks of life to successfully produce such a power of sound so unique to this true American music form. We will help you learn what you need to know to join us in song.

A portion of this year's Golf Classic is earmarked to seed our "Young Men in Harmony Project" for 2009. Our goal is to invite over 400 middle-school and high-school boys to a weekend retreat next year to experience four-part a cappella harmon and to further their music education and appreciation for this classic American art form. For some of them, this experience will forever change and enhance their lives.
